

Fallen Angels Demo

Code : DrTypo

Graphics : Marcus Lösbjer

Sound Engine : LinkoVitch

In this demo, you must rescue 9 pilots. You can find them using the radar. Beware of enemy turrets.

When you find a pilot, land near its ship. Turn the systems off. The pilot will run towards you. Open the airlock to let the pilot enter. He will close the airlock and the systems will be turned on automatically.

Controls :

- Arrows: turn
- A : accelerate
- C : brake
- B : fire
- 1 : land
- 2 : enable/disable systems
- 3 : open/close airlock
